Project One

nyceCO Prints

Cleveland, OH | Nov 2019-Nov 2025, Remote

Pre-Press Production Artist & Designer

Prepared client artwork for screenprint production, created mockups for proofing and approval, and designed apparel for nyceco clothing, a brand promoting Black cultural moments and pride. Additionally created social media assets, maintained the Shopify store, and executed email marketing campaigns to drive brand awareness and sales.

Project Two

Artfluential

Columbus, OH | April 2021 – May 2025, Remote

Contract Designer

Contracted by a Columbus-based design agency for 25-30 hours monthly, delivering social media assets, websites, branding, and marketing materials. Primary focus was designing annual and quarterly reports for their client portfolio, alongside presentation templates, step-and-repeat banners, and other print collateral.

Project Three

The Sauce BSE

Cleveland, OH | May 2019 – September 2022

THE SAUCE

Contract Graphic & Web Designer

Developed complete brand identity, designed and maintained the restaurant website, and created all customer-facing materials including interior signage, digital menu screens, and takeout menus. Managed social media assets and collaborated with third-party vendors on fabrication approvals and design solutions.
